

Internship Global Transaction Banking

Your internship

If you want to acquire practical experience in banking, you can get to know us and our company over the course of an individual three to six-month internship starting on the 1st or 15th of the month. You must have completed the first year of your Bachelor degree or the equivalent and be registered at an institute of higher education.

About Deutsche Bank

We compete to be the leading global provider of financial services, balancing passion with precision to deliver superior solutions for our clients. Our employees are the ones who make this possible. They are agile minded, able to see beyond the obvious and act effectively in an ever-changing global business landscape.

About Deutsche Bank Luxembourg S.A.

Deutsche Bank in Luxembourg employs almost 500 employees in the areas of Deutsche Bank Wealth Management, International Loans & Agency Services, Treasury & Global Markets, Global Transaction Banking, Infrastructure as well as Regional Management. As an independent legitimate business, Deutsche Bank Luxembourg S.A. offers its clients individual consulting services for securing and increasing assets. Companies and public institutions are supported by the Treasury & Global Markets, International Loans & Agency Services or Global Transaction Banking departments depending on their focus, with the international client portfolio of Deutsche Bank Luxembourg surpassing the country borders of Luxembourg by far.

About Global Transaction Banking

Global Transaction Banking (GTB) is part of Deutsche Bank's Corporate & Investment Banking (CIB) division which brings together Deutsche Bank's commercial banking, corporate finance, and transaction banking expertise under one common leadership.

GTB Luxembourg offers a wide range of financial services, supporting clients around the globe on achieving their business goals.

Corporate Trust provides trustee and agency services to both the short and long-term debt issuances for corporate and financial institution issuers.

It offers a very broad range of services for diverse products from complex securitizations and project finance to syndicated loans, debt exchanges and restructurings to more vanilla products such as Medium Term Notes and Commercial Paper.
