

Internship Deutsche Bank Wealth Management – Nordic Team

Your internship

If you want to acquire practical experience in banking, you can get to know us and our company over the course of an individual three to six-month internship starting on the 1st or 15th of the month. You must have completed the first year of your Bachelor degree or the equivalent and be registered at an institute of higher education.

About Deutsche Bank

We compete to be the leading global provider of financial services, balancing passion with precision to deliver superior solutions for our clients. Our employees are the ones who make this possible. They are agile minded, able to see beyond the obvious and act effectively in an ever-changing global business landscape.

About Deutsche Bank Luxembourg S.A.

Deutsche Bank in Luxembourg employs almost 300 employees in the areas of Deutsche Bank Wealth Management, International Loans & Agency Services, Treasury & Global Markets, Corporate Service Division, Infrastructure as well as Regional Management. As an independent legitimate business, Deutsche Bank Luxembourg offers its clients individual consulting services for securing and increasing assets. Companies and public institutions are supported by the Treasury & Global Markets, International Loans & Agency Services or Corporate Services departments depending on their focus, with the international client portfolio of Deutsche Bank Luxembourg surpassing the country borders of Luxembourg by far.

About Wealth Management – Nordic Team

Worldwide, we manage the private wealth of high-net-worth individuals, their families and select institutions. Although it's difficult to define exactly who qualifies for this designation, it's usually assumed that it includes anyone with liquid assets in excess of \$1 million. It is our job to secure our clients' wealth and look after their future prosperity. In the Nordic Team we take care of international wealthy private clients with a sophisticated, complex, and international assets structure. Support our advisers in projects as well as in their day-to-day work.
